

3. Friends of a Feather

"Will you look at those birds?" someone said next to Danielle. "They look like there best friends. Danielle noticed then how happy the birds where just to be near each other. Her own best friend was Stacie. How happy she was when they told each other secrets! She enjoyed being around Jamie and hearing her laugh. she liked studying with Jamie. She was happy when they shared toy's. Most of all, she was real happy that Jamie was her friend.

Danielle saw how happy the birds were and hoped that she and her best friend, Jamie, would always be that happy together.
